About the Binding

This spirit's listing comes with only a direct binding, and no vessel. Using the name and your energy imprint provided from the online purchase, I will perform a binding directly to you within 24 hours of your purchase. This is a quick, expedient, and immediate way to receive connection to your companion. Additionally, this form of binding does not require any kind of charging, and cannot be broken or lost. If you ever have a need to re-do your bindings for any reason, please let me know and I will gladly perform the service for you free of charge.

My bindings are done in a manner that specifically *only* provides energetic attachment to the spirit companion intended to be bound to you. It does not bind them to your will, and does not guarantee that they will come any moment you call for them. It functions in a similar way to a phone number - they will be notified when you want them or are thinking

about them, and they may choose to arrive if they wish. If they do not come at a specific moment, they may arrive later. All spirits have been informed of and agree to standard house rules before being bound to you. Finally, beyond some basic protection and cloaking clauses in my bindings, the most important clause is that the spirit may easily break the binding if you becomes harmful or abusive, and vice versa.

Many people prefer a vessel binding because they appreciate the physical representation of their companion's presence in this world. In the case that you would like a vessel binding, you may choose one of the following two options:

- Purchase the “Vessel Add-On” listing from The Dragon’s Library, giving your new companion an allowance to pick a vessel of their choosing.
- Send a photo of a vessel you already own to thedragonslibrary@gmail.com, and I will perform a distance binding for free.

Welcoming Ritual

If this is your first spirit companion, or if you are not quite sure how to welcome them to their new home, you may find comfort in this ritual. There is no requirement to perform the ritual, and it can be done at any time at any point after your binding is complete. Furthermore, it can be repeated over time, if you ever feel the need to strengthen your bond with your spirit companion.

1. Create a quiet space in your home. Light a few candles or some incense, dim the lights, and take a moment to calm yourself and notice how you are feeling today. Have an offering ready to present to your new companion.
2. Once you feel ready, visualize your companion in your mind’s eye. Speak their name, out loud or in your mind. Pay attention to if you feel their presence. It may take a few minutes to really notice them. Once you get the inkling they are present, continue.
3. Present the offering. Say something along the lines of:
“Welcome, [Name]. I present you this offering as a gift to signify our new friendship. I welcome you into my home and my life, just as you welcome me into yours.”
4. Feel free to continue saying a few words. Even if you can’t feel or hear your spirit respond yet, it’s good to lay down some house rules and your expectations.
5. Take a moment to sit quietly in each other’s presence, acquainting your energies.
6. Once you are finished, thank them for coming. Put the offering in a safe spot.
